the christian life profile assessment tool training guide has been developed to serve as a guide for learning how to implement the christian life profile assessment tool clpat into the life of any church this training course is divided into four sessions each session will contain components such as video lecture leader led discussion large group discussion and small group discussion

living the christian life was born from the realization that the church of today has fallen into a tremendous state of depravity there have been many complaints and criticism against christianity and christians and with just cause those who profess christ as their saviour has not parted from their sins but continued to live in it with even more gusto they profess christ as the lord but they do not live in dependence and submission the lordship of christ christians of today profess to believe the word of god as infallible god inspired and the standard of a christian life but their very lives are contradictory to their profession from before the beginning of this book until the last page the prayer of my heart was that god would direct my words and give me insight and understanding the depravity of the church of today is a tremendous burden for me because it brings great dishonour to the name of god the more i searched and studied

scripture in writing this book the more i realized how far modern day christians has fallen and deviated from the will of god the chapter i enjoyed writing about the most is crucified with christ as that is the core of a life truly being lived in accordance with the will of god and to his glory and honour christianity starts with the cross of christ and revolves around it for all eternity

the normal christian life is watchman nee s great christian classic unfolding the central theme of christ our life starting from key passages in romans nee reveals the secret of spiritual vitality that should be the normal experience of every christian his emphasis on the cross and resurrection of jesus christ contains fresh insights that have proven a blessing to many

while the most standard treatments of john wesley s theology focus their attention on his distinctive way of salvation they fail to provide a thorough examination of wesley s means of grace this book offers the first detailed discussion of the means of grace as the liturgical communal and devotional context within which growth in the christian life actually occurred knight shows how the means of grace together form an interrelated pattern that enables a growing relationship with god

the christian life focuses on the formative role of baptism not only for the individual being baptized but the church this book examines the related rites of affirmation welcome to baptism and confession and moves to consider other rites in which the baptismal center is clearly seen

charles spurgeon widely hailed as the prince of preachers is well known for his powerful preaching gifted mind and compelling personality over the course of nearly four decades at london s famous new park street chapel and metropolitan tabernacle spurgeon preached and penned words that continue to resonate with god s people today organized around the main beliefs that undergirded his ministry the centrality of christ the importance of the new birth the indwelling of the spirit and the necessity of the bible this introduction to spurgeon s life and thought will challenge readers to live their lives for the glory of god part of the theologians on the christian life series

an expert in contemporary theology shows how the doctrines of the triune god and the divine attributes shape our understanding of the

christian life
